

## PAELLA LOVERS

MONTERO, DAVID

## SINOPSIS

Paella Lovers's book is a book of rice written by David Montero, also known on Instagram as @ricepaella, rice master and representative of the culture of the Valencian Paella, offers us a large part of her knowledge, illusion and passion for the stove and the paella in this book format.

This book offers us extensive knowledge about one of the most basic but necessary materials for all paella: rice. From the different varieties of rice and how to prepare them to the necessary materials and ingredients for their preparation, a work of love to teach and share their love to the stove....
