

# DON'T THROW IN THE TOWEL. INGLES PARA ACTIVIDADES FISICAS Y DEPORTIVAS

**MARZO PONCE, ELENA ; ZAPATER RODRIGUEZ, LUIS**

## SINOPSIS

Don't Throw in the Towel is an innovative method specially designed for students studying vocational training courses in the area of Physical and Sports Activities (Ciclos Formativos de la familia de Actividades Físicas y Deportivas). This textbook provides learners with the necessary skills to use English as a real communication tool rather than just a subject to study. By simulating authentic workplace scenarios, they gain the confidence required to succeed in today's professional world. In the student's book, all language skills are practiced in each unit: Vocabulary, grammar, listening, pronunciation, reading, speaking and writing. A strong emphasis is placed on oral interaction. Additionally, mediation activities have been incorporated. Pair work, role-plays, interactive speaking activities and games are integrated in each unit to make the learning process both motivating and meaningful. Don't Throw in the Towel helps students build a learning environment that enables them to communicate effectively in English and transform their language skills into real professional opportunities. It's definitely their path from learning to unlocking their potential. Key features include: A wide range of topics related to the area of Physical and Sports Activities. Contextualized and specific vocabulary. Clear coverage of grammar. Authentic reading texts featuring sports-related scenarios. Listening activities based on real-life interactions. Exercises targeting correct pronunciation. Engaging communicative speaking tasks. Practical and varied writing exercises. Dynamic mediation tasks. Self-assessment sections to track progress. Appendices offering additional resources. El solucionario de este libro es exclusivo para el profesorado que tenga el libro adoptado para la docencia. No está disponible para particulares....
